

Tennessee Junior Livestock Expo – Sheep Expo August 2020 Update

Sheep Expo will be held August 7-8, 2020 at Hyder-Burks Pavilion at Tennessee Tech in Cookeville. Attached to this update is the expected schedule and the penning map (more about penning below).

We are currently working on ways that we can maximize the safety of youth, families and staff while also providing a quality show experience for youth. We ask that everyone take the below items seriously. Please do not be the person/family that causes the cancellation of the show or gives the program a bad reputation.

It is important for families to maintain a 6-foot social distance between other families whenever possible. This includes all areas of the show grounds. Everyone is encouraged to wear a mask when social distancing is not possible.

- Youth and anyone accompanying youth into the line-up area will be required to wear a mask. Youth will also be required to wear a mask while in the show-ring as well as while completing the skillathon. Youth should begin wearing a mask now while they work with animals so that youth and are accustomed to the mask.
- Masks will also be required during check-in. This includes youth and/or others that might be bringing animals to be checked-in and/or weighed.
- Show staff and judges will also be wearing a mask.
- Everyone attending the shows are encouraged to wash hands multiple times daily.
- High risk individuals should refrain from attending the livestock shows.

Penning Update:

Pens will be set up basically skipping a pen after each pen that is used. This is designed to provide space for social distancing in the penning area. This also gives extra space for tack, feed, etc. We ask that you work cooperatively with your penning neighbors to share this space and to keep the aisles as clear as possible. Remember, it is important to maintain social distancing as much as possible in the penning area and to wear a mask when this is not possible. Pens will not have shavings already in them, so exhibitors need to plan to bring what they plan to use in their pens.

Back card numbers for each exhibitor will be in an envelope in their pens when they arrive.

We will not hold Premier Exhibitor Award ceremony. Families are strongly encouraged to leave as soon as they are finished showing. Skillathon and Premier Exhibitor winners will be recognized virtually and awards will be sent through the County Extension offices. Additionally, there will be no county group or team showmanship classes.

Only one person per youth will be allowed to accompany the youth into the line-up area and all individuals must wear a mask in the line-up area. We are currently working on plans to be able to keep animals on a head to tail basis in the line-up area and in the show-ring. This should create a natural social distance between youth.

Check-in and weighing for commercial ewes and market lambs will be in the sale ring area of the barn. Registered ewe check-in will be in the show-ring area. We are working to have multiple stations set up to be able to efficiently complete the procedures while minimizing the line of people waiting to be checked.

Camping at Sheep Expo is still available. Reservations may be made at:

https://epay.tntech.edu/C20205_ustores/web/product_detail.jsp?PRODUCTID=1146&SINGLESTORE=true.

There will be signs to remind everyone to maintain social distancing, to wash hands regularly and to wear a mask.

There should be no county group meals. Currently, Tech plans to have the concession stand open during Sheep Expo. Tennessee Farm Bureau Federation is still planning to provide boxed lunches on Saturday.

Attendees at Sheep Expo will be asked to register their attendance through an online survey located at:

<https://expoattendancesurvey.questionpro.com>.

The Remind App will be used to quickly send out notices to families. To join, text @tn4hsheep to 81010 or enroll at <https://www.remind.com/join/tn4hsheep>.

Your patience and adherence to these policies are much appreciated. We are extremely lucky to even be able to host the shows. Without these additional policies/changes, hosting Sheep Expo would not be possible.

Reminders

Skillathon

- Skillathon will be setup around the show-ring area and the mezzanine level. There will be 3 separate locations (1 per division – Junior, Junior High, Senior). Youth will go to the appropriate location and complete the skillathon stations by themselves. Only 1 youth will be permitted at a table at a time. They will use one answer sheet for all 5 stations. Youth will be required to wear a mask while completing skillathon.

Youth for the Quality Care of Animals (YQCA)

- Youth must be YQCA certified in order to exhibit at Sheep Expo. More information about YQCA is available at www.yqca.org.

2020
Tennessee Junior Livestock Expo
