

Sheep Expo Sales Talk

The Sales Talk Contest is an opportunity for youth to sell breeding sheep to a judge, who will be serving as the buyer. This contest is an interaction or discussion with the judge rather than a “speech”. Youth will meet individually with the judge/buyer. Typically, there will be 2 judges/buyers.

Youth will compete in the typical divisions for Sheep Expo:

- Explorer – Grade 4
- Junior – Grades 5-6
- Junior High – Grades 7-8
- Senior Level 1 – Grades 9-10
- Senior Level 2 – Grades 11-12

Date: Contest open Thursday, August 13 and Friday, August 14, 2026

Pre-Register: https://utk.co1.qualtrics.com/jfe/form/SV_3g6dnuOvOG0Q91k

Time Limits:

- *Explorer and Junior:* 3-5 minutes
- *Junior High, Senior Level 1 and Senior Level 2:* 5-7 minutes

Awards: Cash prizes for winners provided by the Developing Champion Youth Endowment.

Summary: Youth should select one of the below scenarios for their marketing strategy:

- *Scenario 1:* Purebred Breeding Ram sold to a sheep producer who markets most of the lamb crop each year following weaning. The top 10% of ewe lambs are retained as replacements.
- *Scenario 2:* Elite Purebred Ewe sold to a sheep producer who markets high quality replacement stock to other sheep producers in the area. The top 15% of ewe lambs are either retained as replacements or sold along with a select number of top wethers to youth as 4-H/FFA sheep projects.

Animal exhibition in Sheep Expo is not required to participate in this contest. You can “sell” any animal that fits one of these scenarios, you do not have to own the animal that you sell. Due to the facilities and schedule, live animals should not be brought to the sales talk. Youth may bring pictures or a 1-minute video clip. The video must be on tablet or computer and cannot have any words or background music.

The sales talk should include a discussion of the physical conformation of the animal, pedigree, performance data, genetic evaluation data and show-ring success if applicable. It is also important to be prepared to answer questions from the judge about your animal.

Youth should be prepared to dress professionally. This likely includes a dress shirt, clean and hole-free jeans and boots. As a competitor, youth will want to present themselves as professionally as possible.

Contact Aaron Fisher (afisher3@utk.edu; 865-974-7260) with any questions.
